Additional ADP Features

Please indicate if you would like your sales team to contact you with more information about:

ADP 401k - ADP is an all-encompassing 401k provider, including automated administration, compliance, and integration into the ADP App. A retirement consultant helps you design the plan to accomplish employee retention and tax impact goals.

ADP Workers Compensation - We have the ability to integrate your workers compensation premium payments with your actual payroll. This enables ADP to make payments to your insurance carrier directly based on exact payroll figures, minimizing any negative effects of an audit at the end of the year. In addition, you will be assigned a dedicated licensed service specialist who will assist with all insurance needs, including certificates of insurance, endorsement requests, and safety/risk engineering.

ADP Health and Benefits - Automatic Data Processing Insurance Agency, Inc., an affiliate of ADP, Inc, is committed to helping you find coverage that meets your business needs. We can present you with employee benefits plans that fit your budget, while still offering the level of coverage you need to attract and retain top talent.
