2026 AFP onboarding guide

Launch date: August 9, 2026

Welcome to the Amazon Freight Partner (AFP) Onboarding Guide. This guide walks you through every required task from your first onboarding day through your launch date. Tasks are organized by the day they begin, and each week concludes with a recap summarizing what starts and what is due.

Your onboarding begins on Wednesday, June 3, 2026. Your target launch date is August 9, 2026 (Onboarding Day 68). All tasks must be completed in the AFP Resource Center by their Due dates as this is how we track your company's progress and ensure you are on pace to launch. Falling behind on tasks may delay your launch date.

Pre-onboarding phase

Week 1 | Days 1–4 | June 3–6, 2026

Day 1 – Wednesday, June 3, 2026

Verify legal business entity

Start date: June 3, 2026 | **Due date:** June 5, 2026

Please verify your company's legal name and employer identification number (EIN).

If you do not have your entity set up, you can learn more about creating your business entity and employer identification number by reviewing the AFP Operations Manual.

As best practice, we recommend you:

Do not use names that are the same or confusingly similar to any Amazon trademarks. For example, do not use ALEXA, AMAZON, AMZN, A-Z, ECHO, GLOBAL LOGISTICS, etc. Double check our Non-Exhaustive List of Amazon Trademarks: <https://www.amazon.com/gp/help/customer/display.html/?nodeId=200738910>

Do not use names that a reasonable person would think are offensive or inappropriate.

Verify your US Department of Transportation (USDOT) and Motor Carrier (MC) number

Start date: June 3, 2026 | **Due date:** June 5, 2026

The Federal Motor Carrier Safety Administration (FMCSA) monitors and ensures compliance with motor carrier safety for all partners as well as commercial regulations for for-hire, non-exempt partners. All AFPs are subject to these regulations and are required to obtain a US Department of Transportation (DOT) and motor carrier (MC) number for Interstate Operating Authority.

Please verify your DOT and MC#.

Verify your SCAC code

Start date: June 3, 2026 | **Due date:** June 5, 2026

The Standard Carrier Alpha Code (SCAC) is a unique two-to-four-letter code used to identify transportation companies. Please apply for your SCAC using the following link: <http://www.nmfta.org/>. Once completed, please provide your SCAC in the field displayed.

Please verify your SCAC.

Create company bank account**Start date:** June 3, 2026 | **Due date:** June 11, 2026

Your company should open a commercial checking account at the bank of your choice to keep your business revenues and expenses in an account separate from your personal finances. Please review the AFP Operations Manual to learn more.

Create company email address**Start date:** June 3, 2026 | **Due date:** June 11, 2026

Once setup of your company's legal business entity is complete, create an email address for the business. This will help keep your business correspondence separate from your personal email. We highly recommend that you do not use Vistaprint domain for email addresses.

In the field displayed, please input your company's email address.

Day 4 – Saturday, June 6, 2026**Provide additional company information****Start date:** June 6, 2026 | **Due date:** June 11, 2026

In the field displayed, please input your company's business address and phone number.

Set up FMCSA portal**Start date:** June 6, 2026 | **Due date:** June 11, 2026

The Federal Motor Carrier Safety Administration (FMCSA) portal provides safety information relevant to your company. Please ensure you set up your company's FMCSA portal.

Setup can be completed via this link: <https://portal.fmcsa.dot.gov/login>

Identify and designate a process agent for BOC-3 filing**Start date:** June 6, 2026 | **Due date:** June 11, 2026

During the creation of your business entity, you will be required to designate a registered agent to receive official mail, including service of process. A process agent is a representative upon whom court papers may be served in any proceeding brought against a motor carrier (MC), broker, or freight forwarder.

All partners should contact a process agent, who can file Form BOC-3 (Designation of Process Agents) with the Federal Motor Carrier Safety Administration (FMCSA). BOC-3 serves as the official receiver of any notification in regards to your US Department of Transportation (US DOT) operating authority.

Please visit this link to learn more and to select your process agent: <https://www.fmcsa.dot.gov/registration/process-agents>. When your process agent is selected, please ensure you communicate with your process agent to file your BOC-3.

Complete Unified Carrier Registration (UCR)**Start date:** June 6, 2026 | **Due date:** June 16, 2026

The Unified Carrier Registration (UCR) program is a federally mandated system for registering operators of commercial vehicles who are involved in interstate travel.

Please register for UCR through their website: <https://www.ucr.gov/>

Register for clearing house**Start date:** June 6, 2026 | **Due date:** June 16, 2026

The Clearinghouse is a centralized database that employers use to report drug and alcohol program violations and to conduct queries, which check that current or prospective employees aren't prohibited from

performing safety-sensitive functions, such as operating a commercial motor vehicle (CMV), due to a drug and alcohol program violation.

Please use the following link to register for Clearinghouse: <https://clearinghouse.fmcsa.dot.gov/>

Research state and local requirements

Start date: June 6, 2026 | **Due date:** June 19, 2026

You may be required to apply for a business license and/or other permits with other authorities (including with respect to transportation of property) in the jurisdiction (state, borough, city, town, parish, village, etc.) in which your company will operate and/or pay local taxes.

Please consult your tax, accounting, or legal advisor to determine which local business licenses, permits, authorities, and various taxes may apply to your AFP program business.

Week 2 | Days 5–11 | June 7–13, 2026

Day 10 – Friday, June 12, 2026

Contact Amazon vehicle insurance brokers

Start date: June 12, 2026 | **Due date:** June 15, 2026

AFPs are required to set up Amazon-approved vehicle insurance through the value-added services (VAS) insurance broker. Amazon has purchased insurance coverage for the Amazon-owned and leased tractors and

trailers that your company operates as part of the AFP program.

Contact McGriff at afpsupport@mcgriff.com and provide the broker with your company's US Department of Transportation (US DOT), DOT address, and motor carrier (MC) numbers. To learn more, search "Amazon asset insurance program" in the AFP Operations Manual. Please note that Amazon-insurance does not cover General Liability.

It is imperative that the General Liability you obtain is effective prior to your tractor hand off date. Tractors are typically handed off at least 1-2 weeks prior to your launch date.

Day 11 – Saturday, June 13, 2026

Review and sign AFP program agreement

Start date: June 13, 2026 | **Due date:** June 26, 2026

You will receive an email notification to review the AFP Program Policy and Terms of Service. Please review and sign these documents to complete this task.

Week 2 recap | June 7–13, 2026

Tasks starting this week:

Week 3 | Days 12–18 | June 14–20, 2026

Day 15 – Wednesday, June 17, 2026

Confirm JJ Keller has initiated contact

Start date: June 17, 2026 | **Due date:** June 24, 2026

Amazon has partnered with J.J. Keller (JJK), a value-added service paid for by Amazon, to provide some compliance offerings. JJ Keller will also assign a consultant to learn more about your AFP operation and support you with safety policy development.

JJ Keller should have reached out to you for an initial introduction. Please confirm JJ Keller has contacted you by completing this task. If by this Due date they have not contacted you, please escalate to your onboarding Point of Contact.

Day 16 – Thursday, June 18, 2026

Sign up for Sentix (Training Solution)

Start date: June 18, 2026 | **Due date:** June 22, 2026

As part of the AFP program, both you and your company's employees are required to complete various training modules. Most training will be hosted in a web solution called Sentix. Prior to the Due date, your company will receive an email from notices@instructiontech.net to begin the signup and registration process. Please reach out to your business development manager if your company has not received the email 3 days before the Due date.

Verify you have begun JJ Keller onboarding

Start date: June 18, 2026 | **Due date:** June 24, 2026

JJ Keller is a vendor used for various compliance services including DQF services. Please verify that you have had an initial conversation with JJ Keller. If JJ Keller has not contacted you, please escalate to the AFP Onboarding program manager. JJ Keller driver statuses are integrated with Relay. Delays in getting your JJ Keller account setup completed can delay driver onboarding once you gain Relay access.

Begin Value-Added Service (VAS) research

Start date: June 18, 2026 | **Due date:** June 26, 2026

Amazon has partnered with leading providers of insurance, healthcare plans, fuel cards, and more to provide services, help reduce your operating costs, and help your company create a safe and motivating environment for your employees. To learn more, search "VAS Offerings" or "Value-Added Service Offerings" in the resource center or in the AFP Operations Manual, search "VAS Woodruff Sawyer/Decisely," "Fuel-Comdata," or "Amazon asset insurance program."

Note – this task is meant for you to get familiar with our offerings. You will receive tasks in the future to verify that you have signed up for the required offerings.

Day 18 – Saturday, June 20, 2026

Research workers' compensation requirements for your state

Start date: June 20, 2026 | **Due date:** June 25, 2026

Partners cannot launch in the program without workers' compensation. Please research workers' compensation requirements for your state.

Start ADP payroll set up

Start date: June 20, 2026 | **Due date:** June 26, 2026

Amazon negotiates deals with ADP to offer more competitive rates on payroll processing, employee scheduling, time tracking, and more for the AFP Program. ADP payroll is used to pay, hire, terminate, and schedule employees. ADP payroll implementation can take up to four weeks, so we recommend starting this process early. To learn more about ADP, visit the "ADP Set Up and Resources" folder in the AFP Resource Center.

Click the link below to contact ADP to start the implementation process: <https://info.adp.com/amazonfreightpartners>

Week 3 recap | June 14–20, 2026

Onboarding phase

Week 4 | Days 19–25 | June 21–27, 2026

Day 21 – Monday, June 23, 2026

Launch driver recruitment campaigns

Start date: June 23, 2026 | **Due date:** July 3, 2026

We recommend AFPs run hiring campaigns to reach the widest audience of potential candidates when sourcing driver candidates. This can be done by leveraging referrals, social media, and word of mouth. In addition, we recommend composing and posting job announcements on Fountain and other job platforms. For sample driver job posts, search for the “Driver Recruiting Playbook” in the AFP Operations Manual.

Review your week’s driver recruiting overview & goals and begin recruiting process

Start date: June 23, 2026 | **Due date:** July 3, 2026

You should have developed a hiring strategy. The most important thing is to think about your recruiting pipeline. A typical recruiting funnel consists of: applicants → invites → interviews → offers → hires. At each stage of the funnel, candidates might drop off, so you will need a certain number of applicants in order to hire one CDL driver.

At all times, you should be returning to your company’s job posting solution to review candidates who have applied and/or move forward with the hiring process. Additional job postings may also be posted as needed.

To learn more about driver recruiting, search “Driver Recruiting Playbook” in the AFP Operations Manual. Please contact your company’s Business Coach for any related questions.

Day 24 – Thursday, June 26, 2026

Register for Fountain (Recruiting Solution)

Start date: June 26, 2026 | **Due date:** July 2, 2026

Fountain is a hiring and recruiting website with resources to support AFPs in hiring commercial driver's license (CDL) drivers. Prospective drivers can view open job postings on Fountain and apply to open positions. Please use the following link to sign your company up for Fountain: <https://amazon-us.fountain.com/amazon-middle-mile/apply/amazon-partner-onboarding-to-fountain?preview=true>

To learn more about Fountain, please visit the “Driver Recruiting and Onboarding” folder in the AFP Resource Center.

Confirm your company's Motor Carrier (MC) operating authority is active

Start date: June 26, 2026 | **Due date:** July 3, 2026

AFP owners will need to return to the FMCSA website to ensure their operational status is active or authorized. You can check the status of your operating authority here: <https://safer.fmcsa.dot.gov/CompanySnapshot.aspx>. Input your DOT or MC# and click search. Your operating status should state Authorized or Active.

If Operating Status does not show as Authorized or Active, check the Licensing and Insurance status via this link: https://li-public.fmcsa.dot.gov/LIVIEW/pkg_carrquery.prc_carrlist

To activate your motor carrier (MC) number, proof of insurance filing is needed. Please contact your company's insurance agent and ask them to file your insurance with the FMCSA.

Day 25 – Friday, June 27, 2026

Apply for state workers' compensation

Start date: June 27, 2026 | **Due date:** July 2, 2026

All partners are required to obtain workers' compensation policies. AFPs can learn more information about their state's workers' comp requirements through Ogletree Navigator Legal Services. Ogletree is a VAS offering that is highly recommended.

More details about Ogletree can be found in the AFP Resource Center.

Confirm you have engaged with ADP payroll management

Start date: June 27, 2026 | **Due date:** July 3, 2026

ADP is a required service for payroll processing for all AFPs. Please contact ADP to begin their registration and implementation processes. AFPs can contact ADP through the following link: <https://info.adp.com/amazonfreightpartners>

AFPs cannot launch without setting up their payroll account.

Review Ogletree Navigator legal services (Value-Added Service Offering)

Start date: June 27, 2026 | **Due date:** July 3, 2026

Amazon has partnered with Ogletree Deakins to provide an exclusive deal for their Navigator program. This program provides AFPs with access to a full suite of labor and employment legal resources, including a support hotline, training programs, and full legal representation for labor and employment matters.

To learn more, search “VAS Offerings” or “Ogletree” in the AFP resource center.

Week 4 recap | June 21–27, 2026

In-person learning week: This week includes an in-person learning experience at an Amazon location. New AFP partners will have the opportunity to meet internal Amazonians from key AFP teams, connect with existing AFP partners, go on a yard visit, and see tractors up close. Details about location, schedule, and logistics will be shared by your onboarding point of contact ahead of this week. Plan your travel and accommodations accordingly.

Day 28 – Monday, June 30, 2026

Review progress of vehicle insurance setup

Start date: June 30, 2026 | **Due date:** July 6, 2026

If the insurance provider hasn't contacted you, please immediately reach out to the broker below and provide your US Department of Transportation number (USDOT), address used to sign up for your DOT, and motor carrier (MC) numbers. It is imperative you complete all required information in a timely manner.

Contact McGriff: afpsupport@mcgriff.com

Complete assigned Sentix Training

Start date: June 30, 2026 | **Due date:** July 7, 2026

The training modules assigned to your company in the Sentix Training Solution must be completed before your launch date. Please confirm completion of all required modules.

For this week, review your driver recruiting overview & goals and begin recruiting process**Start date:** June 30, 2026 | **Due date:** July 10, 2026

Driver recruiting and hiring is an ongoing process and will be reviewed between AFP owners and Business Coaches on an ongoing basis. We encourage AFPs to review driver recruiting goals with your company's Business Coach weekly. To learn more about driver recruiting, search "Driver Recruiting Playbook" in the AFP Operations Manual. Please contact your company's Business Coach for any related questions.

Day 31 – Friday, July 3, 2026**Review progress of ADP payroll setup****Start date:** July 3, 2026 | **Due date:** July 8, 2026

ADP implementation can take up to four weeks, so we recommend starting this process early. At this stage, your company should have had a call with the ADP team. To learn more about ADP, please review the AFP Operations Manual. Click the link below to contact ADP to start the implementation process: <https://info.adp.com/amazonfreightpartners>

Research your company health insurance plan**Start date:** July 3, 2026 | **Due date:** July 9, 2026

Your company must offer access to health insurance coverage within 30 days of an employee's date of hire and the coverage must be effective at least 30 days after that. Research health insurance services or explore the value-added service offering with Woodruff Sawyer and Decisely. Amazon has partnered with Woodruff Sawyer and Decisely to provide AFPs with a selection of affordable health insurance options.

Search "VAS Offerings" or "healthcare" in the AFP resource center to learn more.

Day 32 – Saturday, July 4, 2026**Confirm Netradyne welcome email has been received****Start date:** July 4, 2026 | **Due date:** July 7, 2026

The AFP program uses Netradyne video-based safety technology systems in all Amazon Branded Tractors. Netradyne provides AFPs with insight into drivers' safety performance on the road. Amazon will establish an account with Netradyne for each AFP. AFPs will receive an email directly from Netradyne during onboarding.

Confirm you've received an email from Netradyne about setting up your company's account. If you haven't, please consult your launch coach.

Week 5 recap | June 28–July 4, 2026**Tasks starting this week:**

Subject	Start date	Due date
Review Progress of Vehicle Insurance Setup	June 30	July 6
Complete Assigned Sentix Training	June 30	July 7

Week 6 | Days 33–39 | July 5–11, 2026**Day 34 – Monday, July 6, 2026****Apply for Amazon Relay**

Start date: July 6, 2026 | **Due date:** July 7, 2026

The FMCSA monitors and ensures compliance with motor carrier safety (all carriers) and commercial (for-hire, non-exempt carriers) regulations. Companies subject to these requirements are required to obtain a US Department of Transportation (US DOT) and motor carrier (MC) number.

24–48 hours after your company's motor carrier (MC) number has been activated on the Federal Motor Carrier Association (FMCSA) website, it's time to apply for your Amazon Relay account. Amazon Relay (relay.amazon.com) is the hub of your business operations and allows you to manage your AFP account, onboard and schedule your drivers, and view your completed work and payments.

Go to <https://relay.amazon.com/onboarding/start?enableModuleRedirect=true>, enter your US Department of Transportation (US DOT) and motor carrier (MC) numbers, and complete the application.

Note: In the insurance section, please input the same information for your General Liability (GL) Policy Information for the Cargo and Auto liability entries:

- Insurance Company: Use your GL policy Insurance Company
- Phone: Use your GL policy phone number
- Email: afpsupport@mcgriff.com
- Policy Number: Use your GL policy number

AAIP does not cover general liability and it is the responsibility of the partner to obtain this on their own. You may also get this through McGriff (but it is your choice on who to use for GL). Please populate the general liability with your details.

Please also let your company's onboarding point of contact know when you have completed your Relay application.

Day 35 – Tuesday, July 7, 2026**Review your driver recruiting overview & goals**

Start date: July 7, 2026 | **Due date:** July 17, 2026

We encourage AFPs to review driver recruiting goals with your company's Launch Coach weekly.

To learn more about driver recruiting, search "Driver Recruiting Playbook" in the AFP resource center.

Day 38 – Friday, July 10, 2026

Review background check goals and initiate the background check process for drivers in Relay

Start date: July 10, 2026 | **Due date:** July 17, 2026

Conducting background checks (BGC) determines a driver's suitability to deliver for Amazon. Background checks are performed by a third-party vendor, First Advantage (FADV). In your Amazon Relay account, create your FADV account and initiate the background check process for your driver applicants.

Search "background check" in the AFP resource center to learn more. We also encourage you to discuss your background check (BGC) driver goals with your launch coach this week.

Verify ADP payroll setup in progress

Start date: July 10, 2026 | **Due date:** July 16, 2026

ADP implementation can take up to four weeks, so we recommend starting this process early. At this stage, your company should have had a call with the ADP team. To learn more about ADP, search "ADP" in the AFP resource center.

Day 39 – Saturday, July 11, 2026

Order operational assets for tractor hand-Off

Start date: July 11, 2026 | **Due date:** July 14, 2026

During your onboarding, you will receive more information about your tractor hand-off. At a minimum, we recommend you have the following items ordered:

1. Yard safety vests (Class-2 high-visibility vests) for each driver
2. Portable phone charger and cords
3. Device dash mount for each tractor
4. Lockbox system for securing keys to tractors

Consult your company's Business Coach if you have any questions.

Order DOT tractor decals

Start date: July 11, 2026 | **Due date:** July 14, 2026

As a benefit of the AFP Program, all AFPs will have access to order preapproved decals for the program fleet. AFPs must order DOT decals and display them on their AFP tractors to comply with US Department of Transportation (US DOT) regulations. You should have received an email to set up your account to enable you to place your orders. Please note that all DOT decals must be placed through the account to ensure it follows the marking and branding guidelines for the AFP program. You will be required to order 10 sets of two decals each and two sets of magnets via the account. You only need to order the decals with Company Name and DOT#.

To learn more about door decals, please search "door decals" in the AFP Operations Manual or AFP resource center. Please reach out to your onboarding point of contact if you have not received the email to set up your account.

Complete Comdata fuel registration form

Start date: July 11, 2026 | **Due date:** July 14, 2026

Comdata is a Value-Added Services offering that provides a Mastercard to pay for fuel. Amazon funds the fuel cards on a weekly basis and covers the cost of fuel.

Please complete your fuel registration form through this link: https://cloud.comdataemail.com/AmazonCarriers_V2. Once you have applied for your Comdata account for the AFP program, you should hear back from the company in approximately one or two business days. If you run into trouble setting up your account, you may contact Comdata directly at afpsupport@comdata.com.

Day 43 – Wednesday, July 15, 2026

Accept certificial invitation

Start date: July 15, 2026 | **Due date:** July 20, 2026

Certificial is a vendor used to validate and provide continuous insurance monitoring for AFPs. You should have received an invitation email from Certificial. Please action on the invitation and submit your business information to activate your profile.

Day 44 – Thursday, July 16, 2026

Complete motor vehicle registration employer affidavits/certification

Start date: July 16, 2026 | **Due date:** July 20, 2026

All US carriers need to complete an employer affidavit/certification for GA, WA, CO, and UT. FADV will need this to be completed in order to have the ability to request the MVR for driver candidates in the previously mentioned states during the background check process. All PA carriers should complete an employer affidavit for PA. Please refer to the MVR Forms – Client Employer Package Fillable updated (10-2022) document located within the Driver Recruiting & Onboarding folder of the AFP Resource Center to complete this task.

Day 48 – Sunday, July 20, 2026

Revisit background check goals

Start date: July 20, 2026 | **Due date:** July 24, 2026

We recommend that AFPs discuss background check (BGC) driver goals with your company's Launch Coach weekly.

Day 51 – Wednesday, July 23, 2026

Complete the state and local licensing

Start date: July 23, 2026 | **Due date:** July 29, 2026

During the creation of your business entity, you may have been offered a report detailing the state, city, village, and town licenses that may be required based on your company location. Please verify that you are in compliance with licensing requirements for applicable jurisdictions.

You can also leverage the Secretary of State website for your company's state to find licensing information.

Day 52 – Thursday, July 24, 2026

Complete ADP Setup Process

Start date: July 24, 2026 | **Due date:** July 29, 2026

At this time, your company should have completed the ADP payroll setup. Please verify ADP payroll has been completed. Delays in completing ADP payroll setup may affect your company's ability to launch on time.

Day 53 – Friday, July 25, 2026

Order ELD devices

Start date: July 25, 2026 | **Due date:** July 27, 2026

IOS and Android devices are required to support Relay as well as Electronic Logging Devices (ELDs) and are

one of the operational assets which we recommend to be ordered by an AFP for every driver.

For more information, search “Using your ELD” in the AFP Operations Manual. Please contact your company’s Launch Coach if you have any additional questions.

Read launch details

Start date: July 25, 2026 | **Due date:** July 28, 2026

At a minimum, you will need to have completed the following before you can launch:

Launch day – August 9, 2026 (Onboarding day 68)

Congratulations – today is your launch date! If you have completed all tasks in this guide, your company should be fully prepared to begin operations as an Amazon Freight Partner. Ensure the following are confirmed before executing your first loads:

- ☐ All drivers are activated in Relay for Carriers (R4C)
- ☐ All required documents are in each tractor
- ☐ Comdata fuel cards are distributed to drivers
- ☐ Drivers have completed all mandatory Sentix training
- ☐ ADP payroll is fully operational
- ☐ Insurance ID cards are on hand
- ☐ DOT decals are affixed to all tractors
- ☐ Netradyne accounts are active for all drivers

Welcome to the AFP program. Good luck on your first day of operations!
