

Amazon Freight Partner ADP Implementation

Amazon has partnered with ADP to help you manage your timekeeping and payroll needs. This document summarizes the process to implement ADP for payroll and timekeeping. **Implementation can take up to 4 weeks**, so we recommend getting started with the process as soon as possible. Make sure to contact ADP using only the methods dictated below immediately to begin the implementation process.

Step 1: Contact ADP to Start the Implementation Process

- Sign up for ADP at: <https://info.adp.com/amazonfreightpartners>
- Scroll to the bottom of the page, fill in the requested information, and click "Contact ADP Now."
- An ADP representative will reach out within 2-3 business days requesting the following information:
 - Voided check or Bank Letter with business name and address
 - Federal Employee Identification Number (EIN) proof with legal business address (commonly form 147C) - dated in the last year
 - Year-To-Date (YTD) Payroll
 - Excel file with employee information
- After submitting your information, an ADP Implementation Specialist will reach out to you in 48-72 hours to help walk you through the implementation process.

Step 2: Complete ADP Questionnaire

Your ADP Implementation Specialist will request the below information from you in the form of a questionnaire. To streamline your implementation experience, please complete the below information prior to the ADP Implementation Specialist reaching out.

Company Information

1. AFP Short Code (SCAC):
