Adding Time/ Time Off Batch (Batch 90)

Process > Payroll > Payroll Cycle

Select the Add Time/ Time Off Batch

The screenshot shows the ADP Payroll Cycle interface. At the top, there's a navigation bar with tabs: HOME, RESOURCES, MY TEAM, PEOPLE, PROCESS, REPORTS, SETUP, and a search bar. Below the navigation bar, the page title is 'Payroll Cycle' with a dropdown menu set to '&CU - Sales Demo'. To the right, there's a 'Search Workforce Now' button and an 'Add to Favorites' star icon. Below the title, there's a status bar showing 'Status: Entering Payroll Information', 'Week #: 24 (Current)', 'Pay Date: 06/12/2018', 'P/E Date: 06/12/2018', 'On/Year: 2/2018', 'Service Center: 0052 Chesapeake', and '(Edit Schedule)'. A message box states: 'The Calculate Preview Payroll process for week 24 has ended with errors or warnings.' Below this, there's a section for 'Viewing Week 24 Input' with links for 'View Week 24 Results', 'Concurrent Payroll Overview', and 'What's New on This Page'. The 'Employee Updates' section shows three cards: 'New Hires/Rehires' with a count of 0 and an 'ADD NEW HIRE' button; 'Terminations' with a count of 1 and an 'ADD TERMINATION' button; and 'Changes' with a 'View All' link and an 'ADD EMPLOYEE CHANGE' button. The 'Payroll Inputs' section has two tables. The first table, 'Total Hours', shows 0.00 for Regular, Overtime, and Other. The second table, 'Total Earnings', shows \$0.00 for Regular, Overtime, and Other. At the bottom left, there are two buttons: 'Add Paydata Batch' and 'Add Time/Time Off Batch', with a red arrow pointing to the latter. On the right side, there's a 'Cycle Status' section with a 'Manage All Time Cycles' link and a progress bar showing 'Entering Payroll' (active), 'Under Review', and 'Cycle Complete'. Below this, there's a 'Warnings & Messages' section with a message about new deduction codes and a note about the 2019 projected payroll calendar.
