

How To Do a Termination:

- We need to know what our Period Start and End Date is. There are 2 methods to doing a termination.
 - We are terminating in the **CURRENT CYCLE** and in the termination wizard a final pay is prompted to complete.
 - If we are terminating **OUTSIDE OF THE CURRENT CYCLE** (past or future), no final pay is prompted to complete.
- To see what our current period start and end dates are we can navigate to **PROCESS > PAYROLL > PAYROLL SCHEDULE**.
 - Confirm the WK # that is selected on the left and then review the details within the Payroll Dates Section on the right. This tells us know if our termination date is CURRENT or OUTSIDE OF THE CURRENT cycle.

Max file size is 10MB. Files need to be in .doc, .docx, .gif, .htm, .html, .jpg, .pdf, .rtf, .txt, .wpd or .wps formats.

NOTE: All of these are filled out specific to the employee's termination.

STEPS TO FOLLOW IF WE ARE PAYING OUT IN THE CURRENT CYCLE:

- It takes you to the next page which is the **FINAL PAYMENT** page.

NOTE: This is the page that triggers a final pay walk through only if we are terminating within the **CURRENT** cycle.
- Within the Final Payment Section, the first page is **HOURS & EARNINGS**.
 - If this employee has active hours on the timecard for this time cycle, these hours will automatically appear here.
 - If we need to add another other hours, you can click the +ADD ANOTHER and add it in.
 - Once done, click the NEXT button.

3. It takes you to the next page which is **PTO BALANCES**.
 - a. It pulls the current PTO balance up until this last payroll.
 - b. We will want to calculate the accrual off any worked hours that are being paid out in this termination wizard for the most accurate PTO balance. You will add that new amount to the existing balance.
 - i. NOTE: Generally, one accrues 4% from worked hours.
 - c. Once we have updated the balance, we want to uncheck the “Don’t pay out” to get these hours paid out.
 - d. Under the Payout Amount, select code: PTO in the drop down.
 - e. It defaults to “Include in Check 2” for payment. We can leave that as is but that means the employee will receive a check for their worked hours and a check for the PTO.
 - ii. If we want everything to be captured in one check, we are going to change that to be “Include in Check 1”.
 - f. Once done, click the NEXT button.

Do you want to pay out celine's remaining balance?

HOW IT STARTS

Amazon PTO

HOURS: 1.15

HOURLY RATE: \$19.2500

PAYOUT: \$22.14

OR

☒ Don't pay out

HOW IT ENDS

Amazon PTO

HOURS: 1.15

HOURLY RATE: \$19.2500

PAYOUT: \$22.14

PTO - Paid Time O 

Include in Check 1 

OR

☐ Don't pay out

4. It takes you to the next page which is **DEDUCTIONS**.
 - a. This page will pull any active deductions from the employee’s pay profile to be deducted as needed.
 - b. You can click +ADD ANOTHER if you need to add a deduction.
 - c. Once done, click the NEXT button.

The screenshot shows the 'Terminate' page in the ADP system. On the left is a vertical navigation menu with steps: WHEN & WHY (checked), FINAL PAYMENT (selected), HOURS & EARNINGS (checked), PTO BALANCES (checked), DEDUCTIONS (highlighted), GROSS TO NET CALCULATION, and REVIEW. The main content area has a header with 'Position ID', 'Attachments', 'Checklist', and 'Termination Date Nov 6, 2021'. Below the header, a message states: 'has no payroll deductions. You can add a voluntary deduction, if you like. When you're ready to calculate the final payment, click Next.' In the center is a large button labeled 'Add Another' with a plus icon. At the bottom, there is a text area for notes with the prompt 'You can add notes here (if needed)' and a placeholder 'start typing...'.

5. It takes you to the next page which is **GROSS TO NET CALCULATIONS**.
 - a. This page goes over the total final pay showing the Gross, everything in between, and Net Pay.
 - b. If that looks good, we will want to select how we need to process the final payment.
 - iii. Paydata Batch: Sends it over to a paydata batch and default payment settings on the pay profile occur.
 - iv. Manual Check: ADP does the record keeping, you are responsible for handling the money movement to the employee.
 - c. Once done, click the NEXT button.
