Deleting Rows

- 1) **Select the row** that you want to delete
- 2) Click on **DELETE**

- 3) Next, select **SAVE**. The row will not delete until you save it.

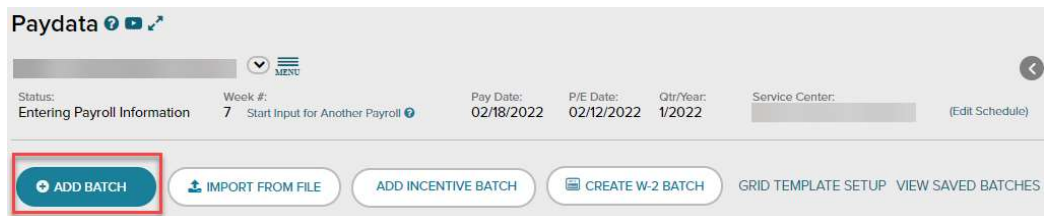

The first screenshot shows the 'Supplemental Pay Codes' tab with a table containing two rows. The first row is selected, and a red circle with the number '1' is next to the 'SELECT' checkbox. The second row is also selected. A red circle with the number '2' is next to the 'DELETE' button.

The second screenshot shows the same interface, but the 'DELETE' button is now disabled (grayed out). A red circle with the number '3' is next to the 'SAVE' button.

The third screenshot shows a green banner at the top of the interface that says 'Operation Successful'. The table now only contains one row, which was the second row from the previous screenshot.

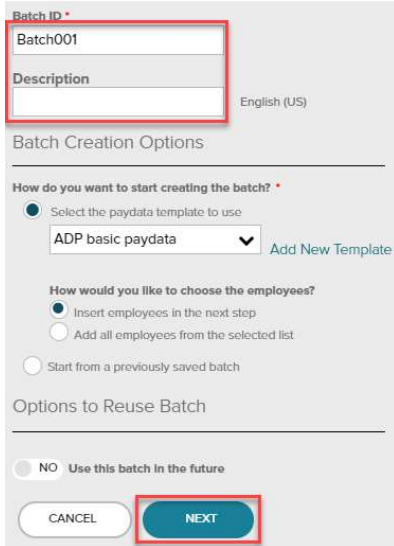

Paying via Paydata Batch

- 1) Navigate to: **Process > Payroll > Paydata**
- 2) Click **"Add Batch"**

The screenshot shows the 'Paydata' interface. At the top, there is a navigation bar with 'Process > Payroll > Paydata'.
